

# JS Pearl Raabta Current Account

Mobile Package powered by 

JS Bank has negotiated a high-end mobile package with , offering unprecedented value to our customers. As long as customers maintain a monthly average balance of PKR 150,000, Telenor will provide the following amazing benefits absolutely free:

## Telecommunication Packages

- 500 minutes to any Telenor numbers
- 50 minutes to any network
- 500 MB 4G Internet Data plus 500 MB 4G Social Media Data (covering Whatsapp, Facebook and Twitter needs)
- 500 SMS messages per month
- Option to Top-up , postpaid internet, social, SMS and calling bundles available. Any usage other than the defined package will be charged from customer's JS Business Raabta current account as follows:
  - Extra Telenor to Telenor minutes charged at Re. 1.4 per minute + tax
  - Extra minutes to any other network charged at Re. 1.5 per minute + tax
  - Extra SMS messages to be charged at Re. 1 per SMS + tax
  - Extra data to be charged at Re. 1.03 per MB + tax

If customer's average balance is not maintained, customer's monthly telecom bill will be charged directly to their JS Pearl Raabta Current Account. Any amount over and above the monthly defined telecom package will be charged to the customer's JS Pearl Raabta Current Account regardless of the maintained average balance.

On maintenance of the required average balance requirement, customers can enjoy a host of product benefits:

## Free Gold Debit Card

JS Bank's Gold Debit Card gives you the convenience and freedom of using your debit card for your shopping, cash, traveling or dining needs at millions of retailers and ATMs around the world! With your Gold Debit Card, you can enjoy cash withdrawal and spending freedom on your card. Charges apply in case average balance is not met.
